P4 TRAINING PROGRAMME

For your whole volunteer leadership team

CURRICULUM

MODULE ONE: GROWING INTO LEADERSHIP

The Call to Leadership: The importance of God's call and ways to know you are called.

The Motivation for Leadership: Wrong motivations for leaders to avoid and positive motives to cultivate.

The Responsibilities of a Leader: The underlying responsibilities leaders must focus on if they are to successfully care for and disciple teens.

The Trials of Leadership: The common trials youth leaders face and ways to overcome them.

Leadership and Teams: The essentials of good team work and how to overcome common obstacles

MODULE TWO: SKILLS FOR LEADERSHIP

How to Run Programmes: Critical considerations that turn a good youth programme into a very good one.

How to Prepare a Bible Study: A step by step process for writing Bible studies that are memorable and encourage application.

How to Lead a Bible Study: Five criteria for leading effective small groups and strategies to improve in each area.

How to Preach: Preparing and presenting a brief devotional message that is interesting and impacts young people.

How to Teach: Putting together teaching programmes that young people will enjoy and learn from.

MODULE THREE: EFFECTIVE YOUTH MINISTRY

Youth Culture: Five key cultural characteristics of young people today and ways in which they affect the way we plan our ministry.

Foundations of Youth Ministry: Foundational principles that lead to effective youth ministry and the practical implications of each.

Programming Elements: The five programming elements that characterised the early church and must characterise an effective youth ministry.

Leadership Structures: An effective youth ministry leadership structure based on Bible principles.

Setting Direction: Steps to developing clear vision and setting specific goals to achieve this vision and move your ministry forward.

MODULE FOUR: CARING FOR YOUNG PEOPLE

Adolescent Development: Various developmental stages young people go through and their implications for youth ministry.

Adolescent Needs: The five primary adolescent needs, and how to meet them in your youth ministry.

Listening Skills: Listening is the primary skill for pastoral care of young people.

Resolving Skills: Five skills for helping young people look to God and find a way through their problems.

Discipline: Practical solutions for establishing a disciplined environment and dealing with issues as they arise.
